DB SEARCH GROUP QUARTERLY NEWSLETTER

Summer 2011

Welcome to DBSG's inaugural quarterly newsletter. Here, we will provide current, useful information about job trends as well as what is happening in the job market and staffing industry. The job market can be as fickle and ever-changing as the stock market so we want to keep our clients, candidates, and general readers aware of what is happening, how things are changing, and how best to be prepared for it. Speaking of which, we'll be posting current best practices for both candidates and company clients to provide you with a more seamless and streamlined hiring process. This helpful information will assist in deciding how to manage certain expectations. We will occasionally feature top progressive companies (mostly local, but some non-local as well) that are on the forefront of new employment strategies, i.e. onboarding, training, employee retention, and more. Your DB Search Group representative will also have knowledgeable and helpful information on all of these areas mentioned above, so please contact him or her.

As always, if you have questions about anything you see in the newsletter, on our site, general inquiries, or would like to send us your information you can always feel free to contact us via phone, fax, mail, email, or any of our social networking pages (Facebook, Twitter, LinkedIn, etc.)

We look forward to hearing from you and hope that you enjoy the newsletter. As always, thank you for choosing DB Search Group!

At Your Service,

Devin W. Blanks
Founder & President of DB Search Group
